**CONFIRMATION OF THE APPOINTMENT OF NGT CONSULTING BY MOKGOPE CONSULTING TO  
MANAGE VARIOUS HERITAGE PROCESSES IN THE WESTERN CAPE PROVINCE FOR ITS HELIOS-JUNO  
765KV TRANSMISSION POWER LINE AND SUBSTATIONS UPGRADES PROJECT**

This letter serves as a confirmation that NGT Consulting (Pty) (*hereafter* referred to as NGT Consulting) Ltd has been appointed by Mokgope Consulting CC to manage the heritage process for its “Helios-Juno 765kv Transmission Power Line and Substations Upgrades” project which traverse two provinces i.e. the Northern Cape Province and the Western Cape Province. This is with effect from May 2016.

NGT Consulting is familiar with the various process and stages followed in terms of heritage resources management in the Western Cape Province such as the completion of a Notice for Intent to Develop (NID) for the initiation of all impact assessment process under Section 38 (1) and (8) of the National Heritage Resources Act (NHRA), No. 25 of 1999. NGT Consulting has active project in the Western Cape and has legally complied with all the provincial requirements since the initiation of its current project. The NID application for the Mokgope project will be made in terms of Section 38 (8) of the NHRA, No. 25 of 1999 and will also follow the National Environmental Management Act (NEMA), No. 107 of 1998.
